Report of Independent Auditors

To the Board of Trustees of Omidyar Network Fund, Inc.

Opinion

We have audited the accompanying financial statements of Omidyar Network Fund, Inc. (the "Foundation"), which comprise the statements of financial position as of December 31, 2025 and 2024, and the related statements of activities and of cash flows, including the related notes for the years then ended (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Foundation as of December 31, 2025 and 2024, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood

that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements

December 31, 2025 and 2024

1. Organization

Omidyar Network Fund, Inc. (the “Foundation”) is a 501(c)(3) entity incorporated in the State of Delaware. The Foundation is a social change venture that works to bend the arc of the digital revolution toward shared power, economic opportunities, and positive possibilities for all.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America applicable to non-profit organizations.

Revenues and gains or losses on investments are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law. Expenses and other assets or liabilities are reported as decreases or increases in net assets without donor restrictions.

Contributions are recognized at fair value in the period received. The Foundation has been funded through contributions received from the Pierre M. Omidyar Trust (the “Trust”), a related party.

Net Assets Without Donor Restrictions

Net Assets without donor restrictions represent resources that are not subject to donor-imposed restrictions and are available to support the Foundation's activities.

Net Assets With Donor Restrictions

Net Assets with donor restrictions represent donations that are subject to donor-imposed restrictions which expires with the passage of time. Upon the passage of time, the associated net assets are released and recognized as net assets without donor restrictions.

Uses of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Contributed Services

Contributed services are recognized if the services received either create or enhance long-lived assets, or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. The Foundation receives contributed services from Omidyar Networks Services LLC and Flourish Ventures Services LLC, each a related party. Such amounts, which are based upon information provided by the related parties, are recorded at their estimated fair value and are reported as contributed services on the accompanying statements of activities.

Omidyar Network Fund, Inc.

Notes to Financial Statements

December 31, 2025 and 2024

Cash and Cash Equivalents

The Foundation considers all highly liquid investments purchased with an original maturity of three months or less to be cash equivalents. The carrying amount of cash and cash equivalents approximates fair value due to short-term maturities of the instruments. The Foundation deposits cash and cash equivalents with high credit quality financial institutions. At times, such amounts may exceed federally insured limits.

Investments

Investments, including program related investments (PRIs) and mission related investments (MRIs), are reported at fair value. Fair value is defined as the amount at which an asset could be exchanged between unrelated willing market participants, in an orderly transaction at the measurement date (i.e., the exit price). Investments are classified as program or mission related investments when they have a direct link to the Foundation's strategic purpose.

Securities

Securities listed on a securities exchange are valued at the last quoted sale price from the principal market on which the security is traded. Investments in open-end mutual funds are valued at the closing net asset value. Securities that trade in over-the-counter markets, including most debt and convertible securities, are valued within the range of the most recent quoted bid and ask prices or if such quotes are not available may be valued using evaluated prices determined by the Foundation's pricing services. The Foundation's pricing services may use valuation models which consider information with respect to comparable bond and note transactions, quotations from bond dealers, conversion premiums, interest rate spreads and yield curves to determine current value.

Private Equity

Private equity investments are not registered for public sale and are carried at estimated fair value as determined in good faith by the Foundation's management after consideration of available relevant financial, operational, and economic data. Significant factors considered in the estimation of fair value include, but are not limited to, the price at which the investment was acquired, the nature of the investment, local market conditions, trading values on public exchanges for comparable securities, current and projected operating performance and financing transactions subsequent to the acquisition of the investment. The inputs into the determination of fair value require significant management judgment. Due to the inherent uncertainty of these estimates, these values may differ materially from the values that would have been used had a ready market for these investments existed.

Limited Partnerships

Investments in limited partnerships, which include private equity funds, venture capital funds and hedge funds, are generally subject to certain withdrawal restrictions. Because no readily ascertainable market value exists for these investments, the estimated fair values are determined in good faith by the Foundation's management on the basis of the latest available valuations of the Foundation's pro-rata interest in the net assets of the partnership as determined in good faith by the general partner of each partnership.

Omidyar Network Fund, Inc.
Notes to Financial Statements
December 31, 2025 and 2024

The Foundation follows the authoritative guidance for estimating the fair value of investments in investment companies, including limited partnerships that have calculated net asset value in accordance with the specialized accounting guidance for investment companies. Accordingly, in circumstances in which the fair value of an investment in a limited partnership is not readily determinable, the Foundation estimates the fair value of an investment in a limited partnership using the net asset value of the investment without further adjustment if the net asset value per share of the investment is determined in accordance with the specialized accounting guidance for investment companies as of the reporting entity's measurement date.

Management may determine to adjust the valuations after consideration of relevant factors that market participants would consider in a transaction for an interest in the partnership including redemption restrictions.

Investment Income

Realized gains or losses, unrealized gains or losses, and dividends and interest are accrued as earned and are reported on the Statement of Activities within investment return, net.

Grants

Grant expenses include unconditional grants. Unconditional grants are expensed when grant agreements are executed and effective. Certain grants may be subject to the grantee fulfilling specific conditions. Such conditional grants are considered commitments and are not recorded as expense until the conditions of the grant are met.

Recent Accounting Pronouncements

No recent accounting pronouncements are expected to materially impact the Foundation's financial statements.

3. Investments

Investments held at December 31:

	2025	2024
Convertible securities	\$ 5,997,652	\$ 4,358,048

4. Program and Mission Related Investments

Program and mission related investments are strategic investments aligned with the Foundation's mission. These investments are primarily composed of equities, equity funds and debt.

Program and mission related investments held at December 31:

	2025	2024
Private equity investments	\$ 39,805,445	\$ 33,257,495
Private equity and venture capital funds	<u>1,425,181</u>	<u>4,690,399</u>
Total program and mission related investments	<u>\$ 41,230,626</u>	<u>\$ 37,947,894</u>

As of December 31, 2025 and 2024, the Foundation had unfunded commitments of \$1,498,708 and \$1,525,179, related to program and mission related investments in companies and limited partnerships, respectively. The unfunded commitments to private equity and venture capital funds can be called at any time at the request of the general partners and are not accrued until called.

5. Investment Valuation

The accounting standard over fair value measurements established a framework for measuring fair value and expands disclosures about fair value measurements. The standard prioritizes, within the measurement of fair value, the use of market-based information over entity-specific information and establishes a three-level hierarchy for fair value measurements based on the nature of inputs used in the valuation of an asset or liability as of the measurement date.

The three-level hierarchy for fair value measurements is defined as follows:

- Level 1 Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets;
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, and inputs that are observable for the asset or liability other than quoted prices, either directly or indirectly, including inputs in markets that are not considered to be active; and
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The inputs into the determination of fair value require significant management judgment.

Net Asset Value (NAV) – Investments whose fair value is measured at NAV are excluded from the fair value hierarchy. Investments in investment funds that do not have a readily determinable fair value may be valued at NAV as a practical expedient. Investments measured at NAV include private equity and venture capital funds.

The categorization of an investment within the valuation hierarchy is based upon the lowest level input that is significant to the fair value measurement.

Notes to Financial Statements
December 31, 2025 and 2024

The following table provides quantitative information about the valuation techniques and significant unobservable inputs used to determine the fair value of such investments at December 31, 2024. Certain reclassifications of prior year amounts have been made to conform to the current year presentation. Such reclassifications did not change the total amount of direct private equity investments as reflected in the 2024 financial statements.

	December 31, 2024			
	Fair Value	Valuation Technique(s)	Unobservable Input	Range or Assumption
Direct private equity investments	\$ 20,148,238	Option pricing model	Expected volatility Time to exit (years)	47.6% – 113.7% 1.9 – 5.5
	\$ 12,112,906	Market comparable companies	Revenue multiple	2.3

The Foundation uses NAV to determine the fair value of its investments in limited partnerships. The following table lists such investments by major category at December 31, 2025:

6. Related Party Transactions

During 2025, affiliated entities of the Foundation (Omidyar Network Services LLC and Flourish Ventures Services LLC) provided program and general and administrative support to and paid for professional legal costs on behalf of the Foundation. The amount of contributed services and in-kind gifts to the Foundation is determined by each supporting entity and is recognized as support. Each entity determines the portion of operating activity related to the Foundation and

Omidyar Network Fund, Inc.
Notes to Financial Statements
December 31, 2025 and 2024

employs this as a basis to allocate a pro rata portion of operating expenses as a gift to the Foundation. The allocated amount may fluctuate significantly as the pro rata portion changes from year to year. For the years ending December 31, 2025 and 2024 support and related expenses by affiliated entities totaled \$11,973,831 and \$14,489,313, respectively.

In addition, other affiliated entities and related parties provided in-kind services related to investment management, governance and operational support of \$167,000 during 2025 and \$133,000 during 2024 to the Foundation.

7. Grants and Support

Grant expenses for the years ended December 31 are as follows:

	2025	2024
Grant payments	\$ 26,210,978	\$ 38,056,715
Less: Amounts committed in previous years and paid	(2,861,958)	(3,265,000)
Refunds received on grants paid in prior years	(11,000)	(38)
Add: Future payments committed in the current year on unconditional grants	<u>200,000</u>	<u>2,861,958</u>
Grant expenses	<u>\$ 23,538,020</u>	<u>\$ 37,653,635</u>

Grants payable are due as follows:

Year Ending December 31,	Amount
2026	<u>\$ 200,000</u>
Grants Payable	<u>\$ 200,000</u>

All grants payable are recorded at face value, which, as of December 31, 2025 and 2024, was immaterially different from present value.

As of December 31, 2025 and 2024, the Foundation had unfunded commitments of \$1,550,000 and \$3,205,000, respectively, related to conditional grants. Future installments are payable upon the satisfaction of certain conditions and therefore, will not be accrued until such conditions have been met.

In 2016, the Foundation provided a financial guarantee for one organization in the form of a Security and Deposit Account Arrangement and Control Agreement. The arrangement expired on October 25, 2024. As of December 31, 2024, the Deposit Account held \$0, and upon expiration of the arrangement the Deposit Amount was closed and the funds were returned to Omidyar Network Fund, Inc.

9. Liquidity

The Foundation's financial assets available within one year of December 31, 2025 to meet general expenditures include:

	2025
Cash and cash equivalents	\$ 44,336,859
Interest, dividends and other receivables	1,908,593
Public equity securities	<u>206,007,157</u>
Available financial assets	<u>\$ 252,252,609</u>

The Foundation intends to structure its financial assets to cover grants awarded and excise tax expenses. All other program expenses and management and general expenses are contributed services and in-kind gifts from Omidyar Network Services LLC and Flourish Ventures Services LLC. The Foundation has no payment obligation, nor liabilities associated with these contributed and in-kind expenses.

10. Taxes

Omidyar Network Fund, Inc. is a private foundation and qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code of 1954, as amended, and from state income taxes under Section 23701(d) of the Revenue and Taxation Code of the State of California, respectively.

Beginning January 1, 2020, with the enactment of the 2019 Taxpayer Certainty and Disaster Tax Relief Act, private foundations are subject to a flat rate federal excise tax of 1.39%. The Foundation recognized deferred excise tax liabilities on net unrealized gains from investments of 1.39% as of December 31, 2025 and December 31, 2024.

Certain investments provide unrelated business income, which is subject to unrelated business income tax. For the years ended December 31, 2025 and 2024, the unrelated business income provided by investments was immaterial.

The expenses for federal excise tax are as follows:

	2025	2024
Current	\$ 164,404	\$ 190,000
Deferred	<u>191,761</u>	<u>106,159</u>
Federal excise tax expenses	<u>\$ 356,165</u>	<u>\$ 296,159</u>

The Foundation believes that it has appropriate support for the excise tax positions taken and, as such, does not have any uncertain tax positions that result in a material impact on the Foundation's financial position or changes in net assets.
